2. Submitted with references. The Addl Director F.S. (Transport) has suggested that the Secy, S.P.C. may proceed to Madras to purchase the tyres & tubes and spare parts for lorries sanctioned in Govt orders no. 80 7852-55/A-21-46-27 dt 20.3.47 and 80 7564-66-6/A 146-66-4 dt 11.3.47.

5) As soon as the indent from the Additional Director of Food Supplies (Transport) was received for the supply of spare parts sanctioned in the Government Order of 20-3-1947, quotations were called for by this office and the quotations received have been forwarded to the Director. From the quotations received it was found that the response for our enquiry was very poor. A few firms quoted for ~~hardly~~ a small number of items in the list and for many of the items of spare parts no firm has quoted. Calling for quotations did not therefore serve much useful purpose.

6) The distribution and prices of spare parts are controlled by the Motor Vehicles Spare Parts Control Order. The owners of motor vehicles in Mysore can secure spare parts only under the control restrictions in force. I therefore personally feel that it may not serve any useful purpose in my going to Madras or Bombay from shop to shop with cash as suggested by the Director.

The Inspector General of Police who is the Chief Rationing Authority for Motor Vehicle Spare Parts in Mysore administers the spare parts control order and I therefore suggest that he may be kindly consulted as to

Office of the
Director of Food Supplies in Mysore,
Bangalore, Dated 1st April'47.

To

The Secretary,

B A N G A L O R E.

Dear Sir,

I beg to invite your kind reference to Government Order No. SD. 7852-55/A. 21-46-27, dated Bangalore 20th March 1947 regarding purchase of Mechanical and running parts sanction by Government for Rs. 28,760/- I hope you will not kindly misunderstand me, but so far we have only bought 72 tyres and 72 tubes. I am afraid we will have to change our methods somewhat under the existing difficult conditions pertaining to procurement of spare parts in India. "J"

I am of the opinion that apart from calling for quotations it would be most helpful if you could kindly proceed to Madras with the necessary cash amounts and go from shop to shop to secure in case you cannot get them at Addisons or Simpsons in Madras. I am sure your organisation will meet with good success if this method is also adopted.

I have already placed before you the difficult position we are regarding lorry transport. I am submitting a copy of this letter to the Secretary to Food Supplies so that he may submit the same to the Minister.

I shall feel much obliged if you would kindly let me have an early reply.

Yours faithfully,

Dear Sir,

I beg to invite your kind reference to G.O. No. S.D.7564-66/A-146-46 dated Bangalore 11th March 1947 pertaining to the purchase of ten sets of Dodge Spare parts amounting to Rs.6,100/- (Copy enclosed for ready reference) I shall feel obliged if you will kindly let me know what action you propose to take to secure all the spare parts by the 10th April 1947, Thursday.

I am almost certain that you will have to send a representative to Madras with ready cash in his hands, so that he may move from shop to shop to buy all these parts. As Messrs. Addison & Co., Madras are the agents for Dodge lorries, it is better that you very kindly make a journey to Madras and see the principals who may have ever to cable to America to send the articles by Air Mail. I have already explained to you the urgency regarding the Coorg Mysore paddy transport work.

Yours faithfully,

BRS.

With reference to your letter No.6039/46-7 dated 1st April 1947 regarding the purchase of certain Spare Parts, Tyres & Tubes, Batteries etc., for the Lorries of the Food Supplies Department, I am directed to state that quotations were called for from firms dealing in the Spare Parts etc., and the quotations received from some of the firms are herein enclosed. It will be seen therefrom that the response has been very poor. In this connection, I am enclosing a full list of firms dealing in the Spare Parts indicated against each for your information.

As the calling of quotations from this office has not served ~~any~~ useful purpose, I am to suggest that the Chief Rationing Authority (Inspector General of Police in Mysore) who administers the Spare Parts Control Order may be requested to afford necessary facilities in securing Spare Parts required by you. I am also sending a copy of this letter to that Officer for information.

As regards your suggestion that I may proceed to Madras to secure these Spare Parts, I ~~am to state~~ for reasons, that it may not at all serve any useful purpose as the distribution and prices of the Spare Parts are controlled by the Spare Parts Control Order.
